SELECTED PROJECTS

Internship Application Tracking Dashboard | Google Sheets

- Developed a dynamic internship application dashboard to organize internship opportunities and recruiting progress.
- Applied QUERY, FILTER, SORT, IF, COUNTIF, and conditional formatting to automate organization and reporting.
- Built summary metrics and dashboards to monitor applications, interviews, and response rates.

Kimberly-Clark Financial Statement Analysis | Excel

- Calculated profitability, leverage, and cash flow ratios in Excel using data from Kimberly-Clark's Form 10-K.
- Analyzed financial ratios and prepared a written financial analysis summarizing key findings and conclusions.

EXPERIENCE

Aerie — Brand Ambassador

Jan 2026 – Present

- Deliver personalized customer service through product recommendations.
- Promote store loyalty and credit card programs through customer engagement.
- Operate point-of-sale systems while accurately processing transactions and handling cash.

Five Below — Shift Lead (Promoted from Sales Associate)

Jul 2024 – Nov 2025

- Independently managed store operations while supervising up to four associates.
- Opened and closed the store, including safe reconciliation, cash drawer balancing, and Brinks deposits.
- Delegated daily responsibilities and coordinated workflow during high-volume operations.
- Assisted with truck deliveries, inventory replenishment, stocking, and merchandising, including Black Friday.
